

APPENDIX 23
REPORT OF HARMFUL INTERFERENCE
(SEE SECTION 22)

PARTICULARS CONCERNING THE STATION CAUSING THE INTERFERENCE

- a) Name , Call sign or other means of identification :
- b) Frequency measured : Date.....
: Time (UTC).....
- c) Class of emission :
- d) Bandwidth (indicate whether measured or estimated):
- e) Measured field strength or power flux-density :
: Date.....
: Time (UTC).....
- f) Observed polarization :
- g) Class of station and nature of service :
- h) Location / Position / Area / Bearing (QTE) :
- i) Location of the facility which made the above :
measurements

PARTICULARS CONCERNING THE TRANSMITTING STATION INTERFERED WITH

- j) Name, Call sign or other means of identification :
- k) Frequency assigned :
1. The class of emission shall contain the basic characteristics listed in article 4 and if possible, the characteristics listed in appendix 6. If any characteristics cannot be determined, indicate the unknown symbol with a dash. However, if a station is not able to identify unambiguously whether the modulation is frequency or phase modulation, indicate frequency modulation (F)
2. When measurements are not available , signal strengths according to the QSA scale should be provided.
- l) Frequency measured..... Date.....
Time (UTC).....
- m) Class of emission :
- n) Bandwidth (indicate whether measured or :
estimated, or indicate the necessary bandwidth
notified to the IFRB)

contd....2

- o) Location /Position / Area :
- p) Location of the facility which made the above measurements :

PARTICULARS FURNISHED BY THE RECEIVING STATION EXPERIENCING THE INTERFERENCE

- q) Name of Station :
- r) Location / Position / Area :
- s) Bearing and times (UTC) of occurrence of harmful interference :
- t) Bearing (QTE) or other particulars :
- u) Nature of interference :
- v) Field strength or power flux- density of the wanted emission at the receiving station experiencing the interference :
: Date.....
: Time (UTC).....
- w) Polarization of the receiving antenna or observed polarization :
- x) Action requested :

NOTE

For convenience and brevity, telegraphic reports shall be in the format above, using the letters in order listed in lieu of the explanatory titles, but only those letters for which information is provided should be used. However, sufficient information shall be provided to the administration receiving the report, so that an appropriate investigation can be conducted.
